

En los modelos horizon, occident y orient FOLIADOS, la veta no va en el sentido del plegado ya que siempre es vertical.
 Nos modelos horizon, occident e orient FOLHEADOS, no folheado é sempre vertical e não no sentido do desenho dos painéis.
 Pour les modèles Horizon, Occident et Orient FILMÉS, la veine du bois ne va pas dans le sens de la rainure du panneau car la veine est toujours verticale.
 In the models horizon, occident and orient in WOODGRAIN FINISH, the grain does not go in the sense of the fold, it always goes in a vertical sense.
