SUMTEC presents its new series for PVC decorative door panels:

Stylo

- Design, versatility and quality are amongst the principle characteristics in the new collection Stylo.
- Forefront in design.
- Versatility that allows multiple combinations to enable to create a door to the taste of each individual.
- Quality of materials, manufacturing, finishes and services with the guarantee of SUMTEC, first spanish manufacturer of decorative door panels.

A person's arm is raised, reaching towards a clear blue sky. The hand is open, with fingers slightly spread. A ring is visible on the ring finger. The background is a gradient of blue, with a darker blue band across the middle and lighter blue with clouds at the bottom. A dark purple vertical bar is on the left side, containing the word 'Stylo' in white.

Stylo

Una puerta abierta a la modernidad.
Diseño y libertad para elegir al gusto de cada uno.

Uma porta aberta a modernidade.
Desenho e liberdade para eleger ao gosto de cada um.

Une porte ouverte à la modernité.
Design et liberté de choisir au goût de chacun.

A door open to modernity.
Design and freedom to choose for the taste of each individual.

A low-angle photograph of a person's arm and hand reaching up towards a bright blue sky with scattered white clouds. The person is wearing a light blue tank top and a dark wristband. The background is a vast, clear sky with some wispy clouds near the horizon.
